Hands

Front & Sides

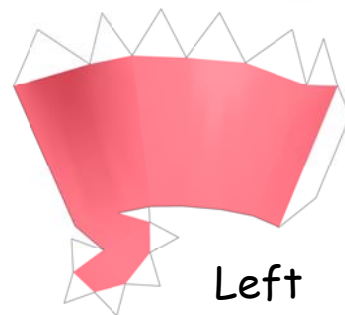

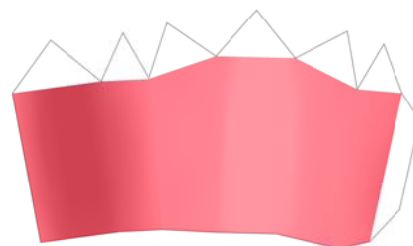

After attaching the hands and feet, close the model with the below piece last, then glue the conjoined wings onto the back.

Right Foot

Back

Left Foot

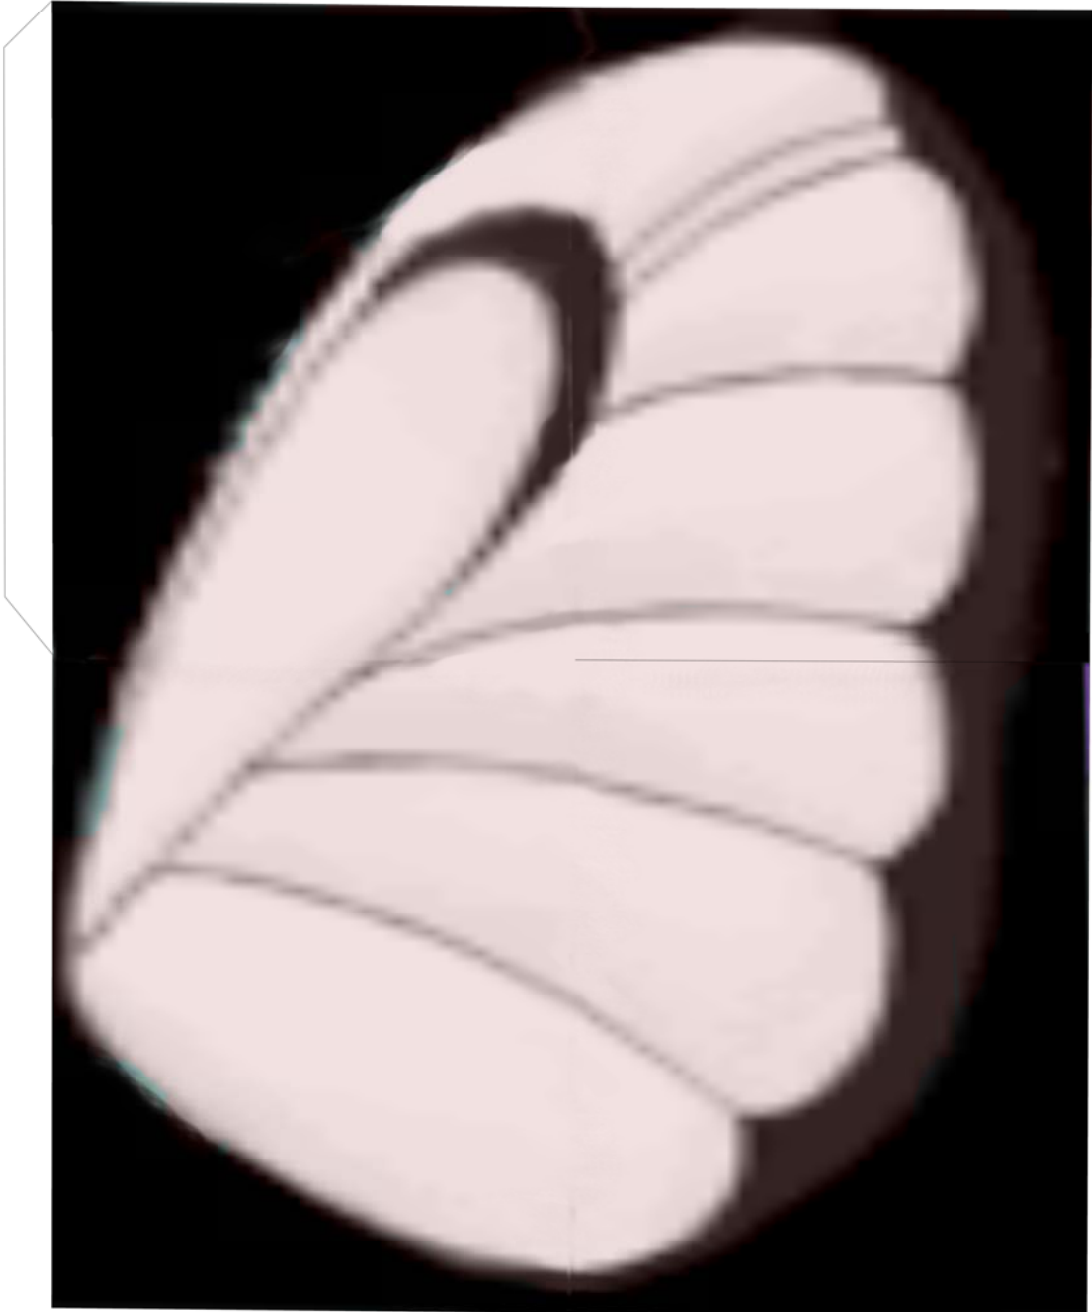

Hint:

- Print wings on standard 80gsm printer paper
- Use a "dry" glue stick for joining the mirrored sides together.

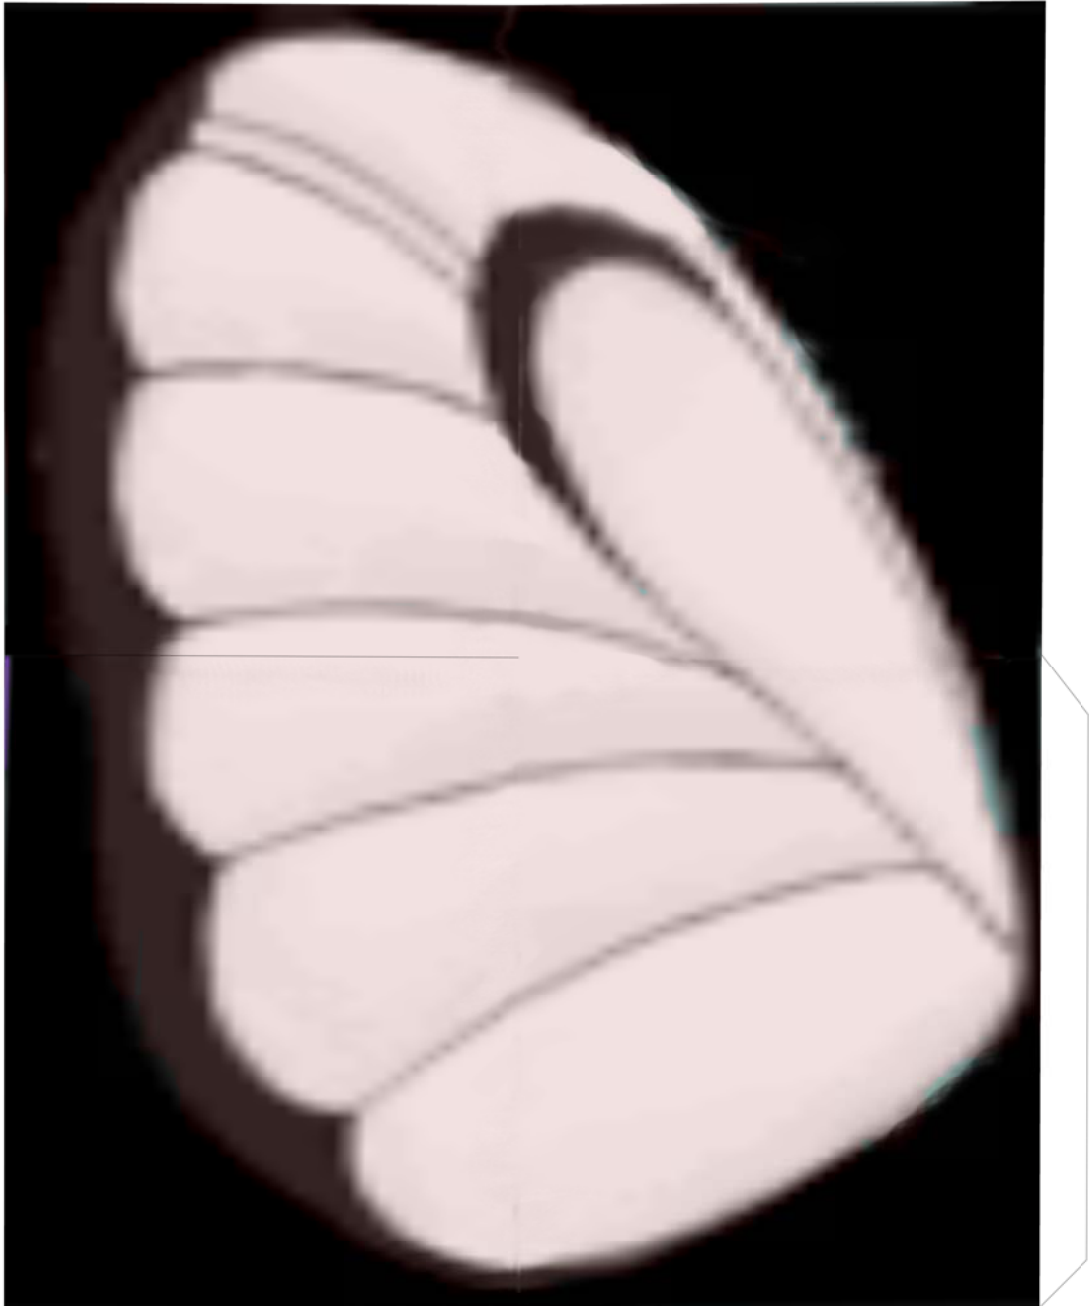

Front Side

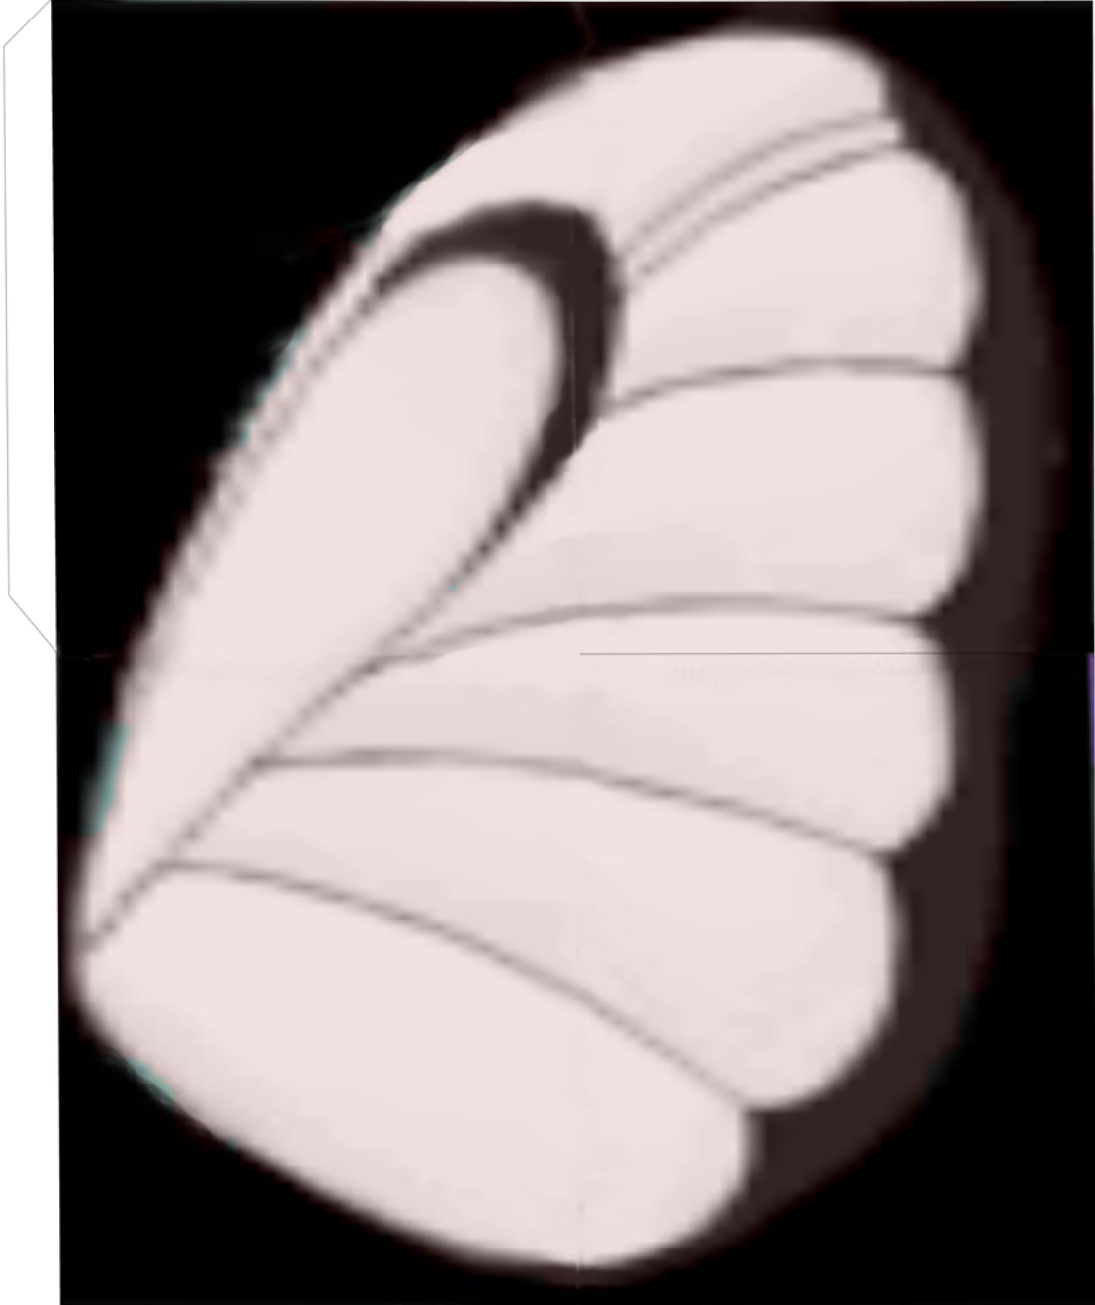

Front Side

Rear Side

Rear Side

Hint:

Glue these smaller wings to the larger wings before attaching to the body.
