The head is hard. You will need to refer to the .pdo to see which lines to fold, in special with 5 and 6, be careful with these pieces, a lot of the result depends on folding these. I highlighted some of them red, make sure to fold them even if you're building it lineless.

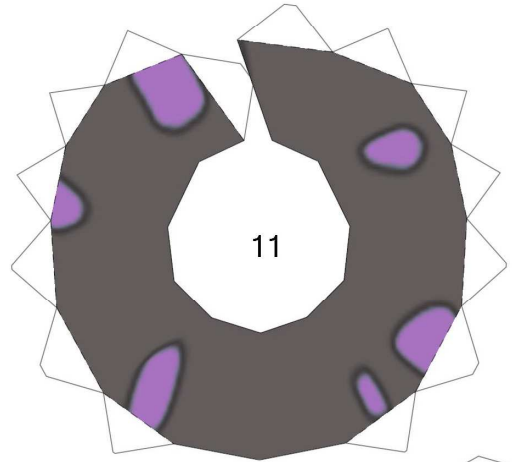

9

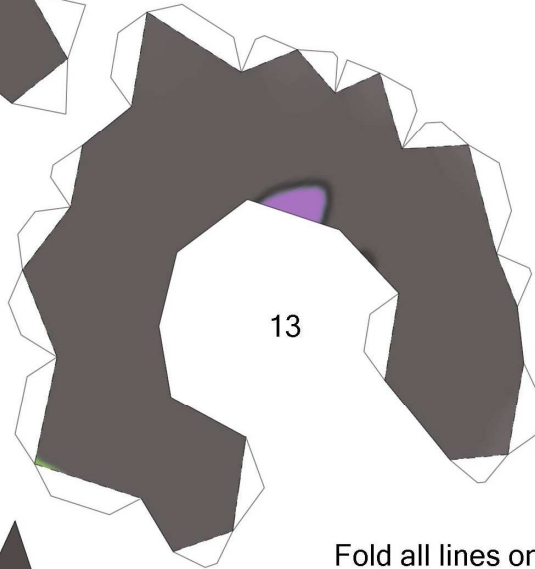

10

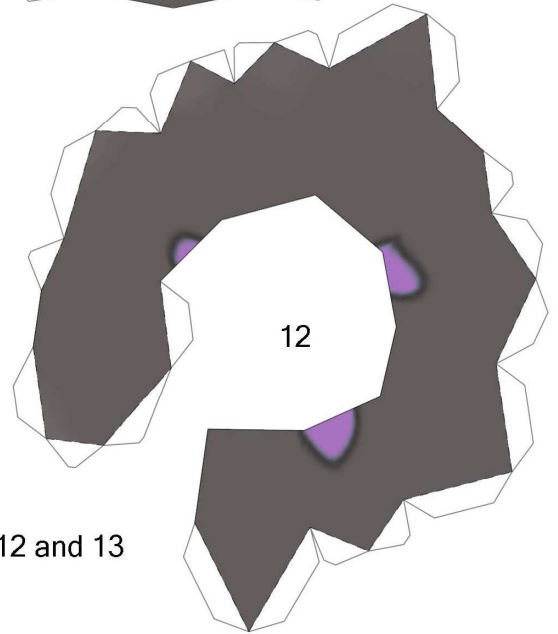

11

13

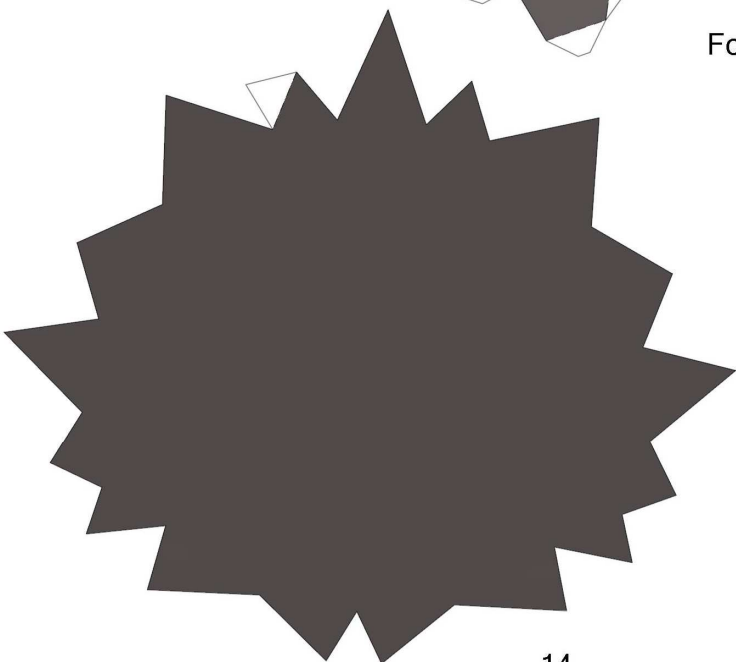

12

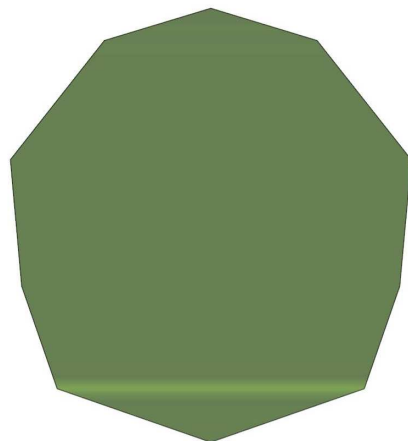

Fold all lines on 12 and 13

14

37

Closing the head is also hard, take your time there.
