Left Legs

Right Legs

Tummy

<- Tail

Do not forget to glue counter weight onto the inside of the tummy piece, as close to the tail as possible

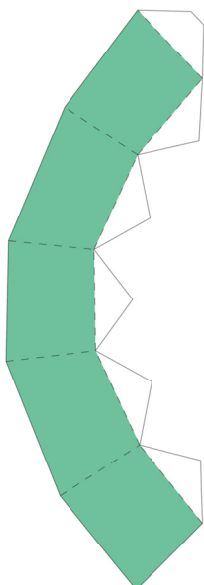

For stability and reinforcement, insert a roll of scrap paper into the neck once all three pieces are assembled.

Make the neck then insert into the top of neck base. Attach top of neck base to the rest of the neck base.

Top of Body

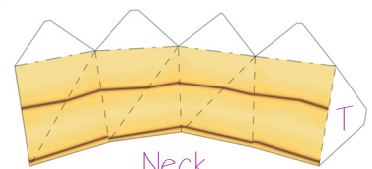

Make bottom of flower bulb. Insert top of neck into the bottom of flower bulb, then continue making the rest of the flower bulb.
