All tabs on this page  
are used for connecting  
the 2D hair pieces to  
the head.  
Be sure to fold most/all  
of these pieces in order  
for it to give the "spikey"  
look

## Feathers

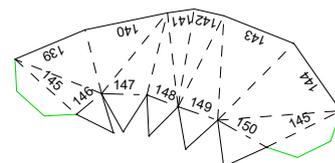

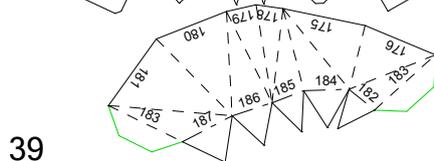

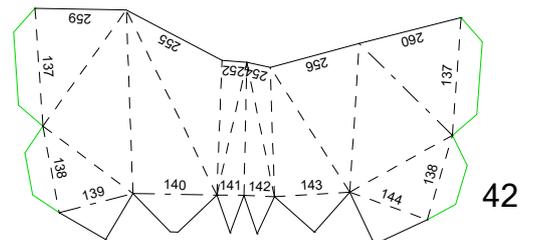

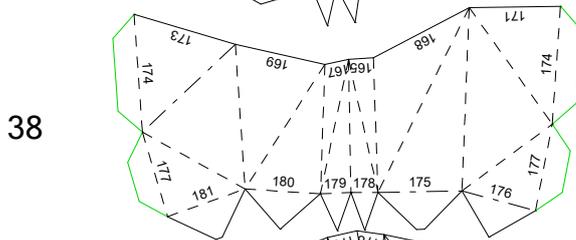

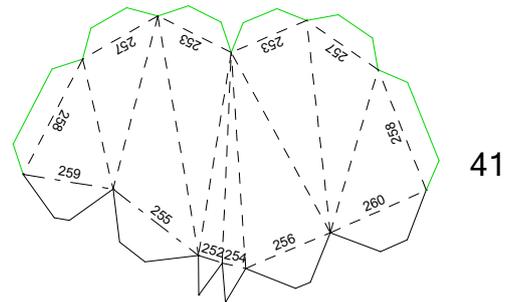

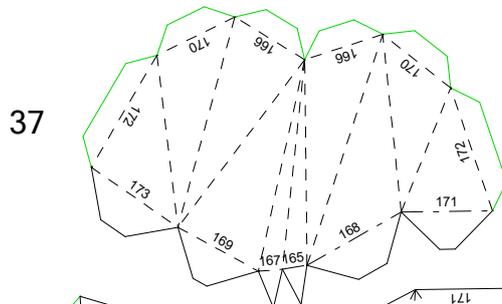

Picture included for gluing

above feathers (before cutting out)

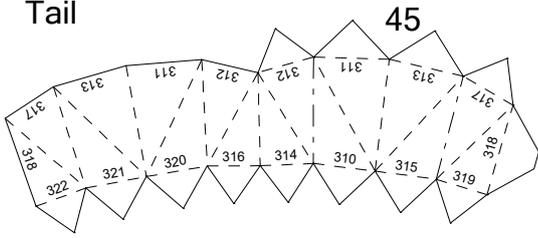

Cut/build Wings and attach Feathers in page

Fold Green colored tabs outward and glue to each other - these will allow for the feathers to glue on top of the exposed tabs
