15

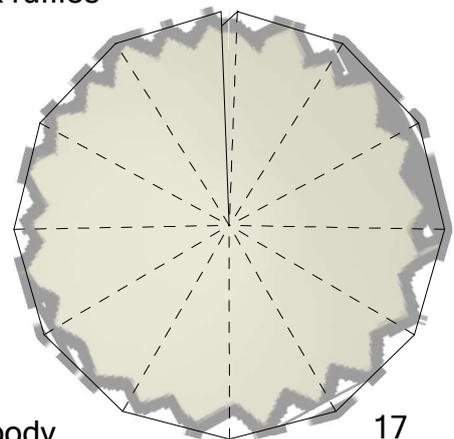

Cut along the gray lines
for the 3 "neck ruffles"

16

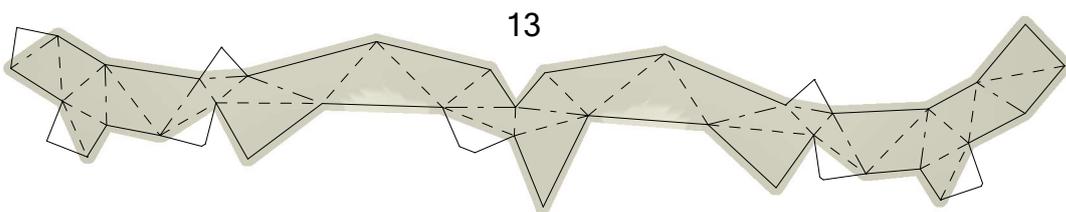

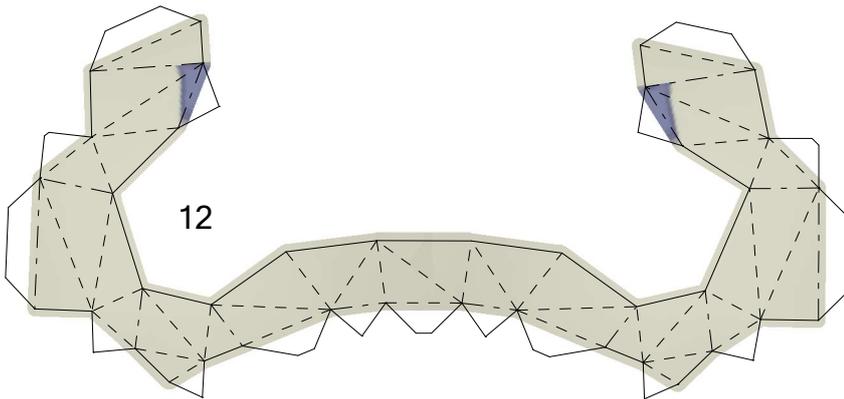

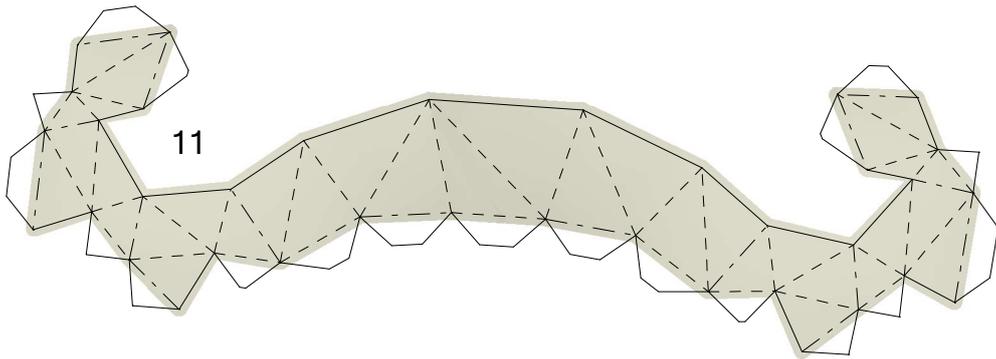

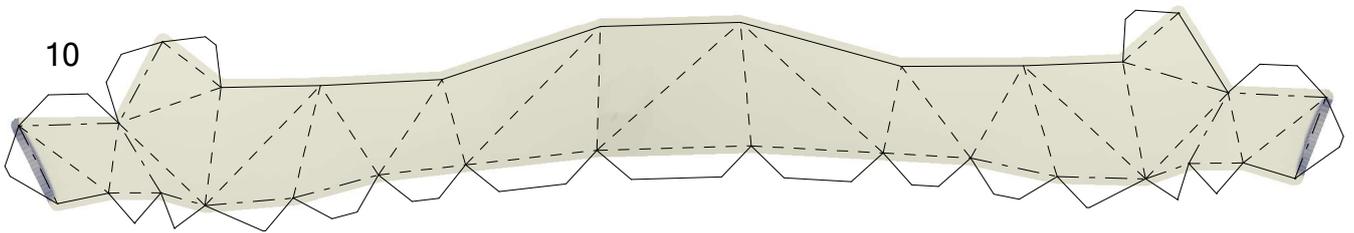

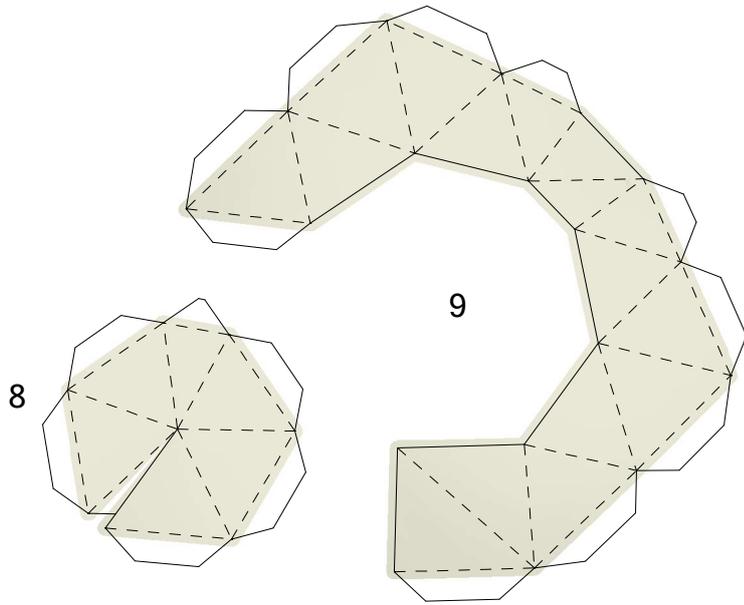

Neck Ruffles

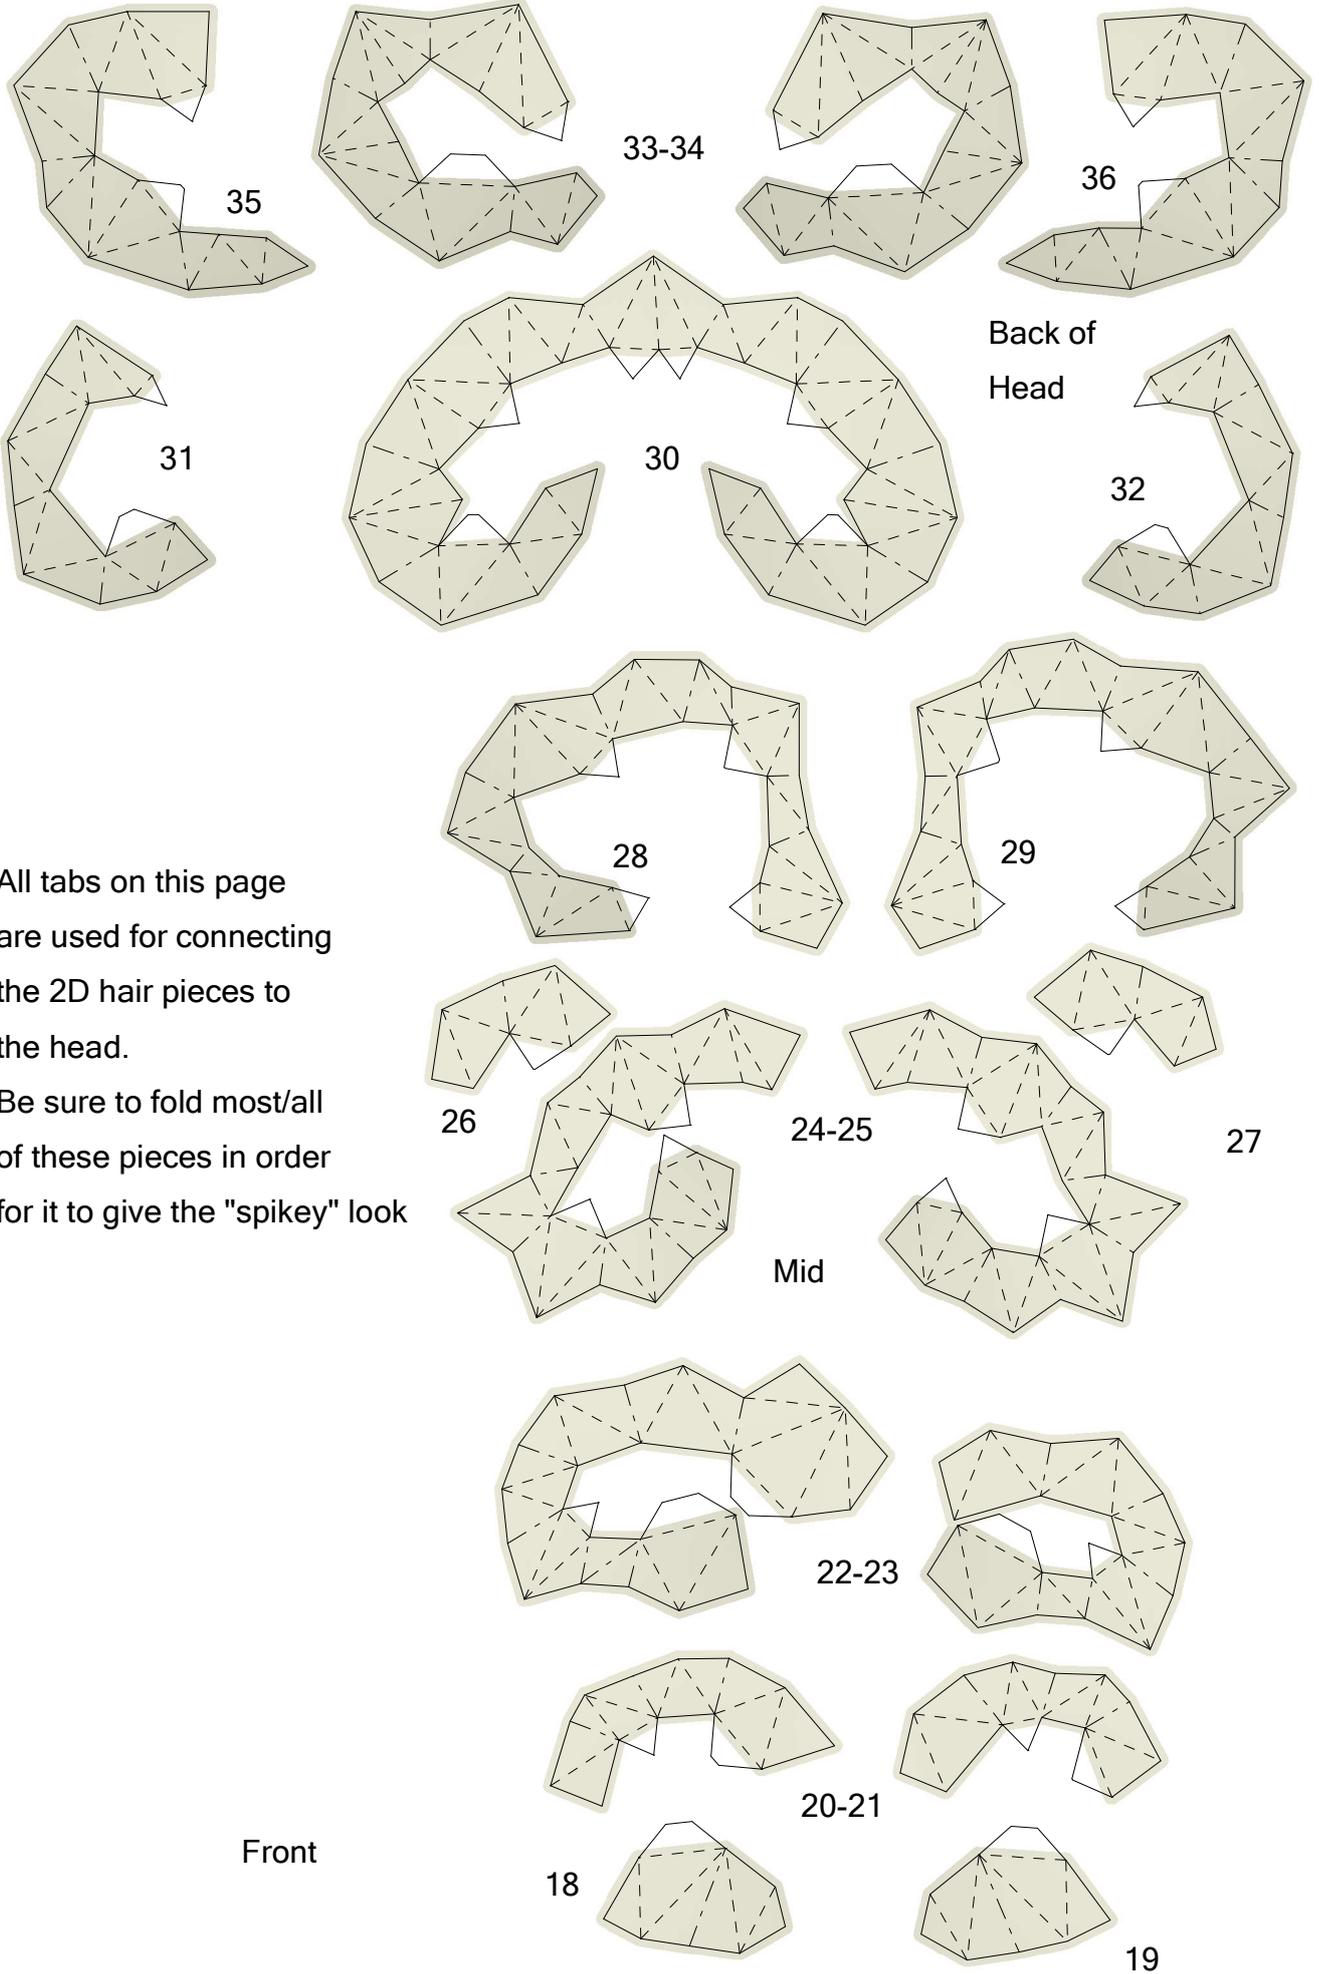

Attach between head and body

17

Back of Head

All tabs on this page are used for connecting the 2D hair pieces to the head. Be sure to fold most/all of these pieces in order for it to give the "spikey" look

19

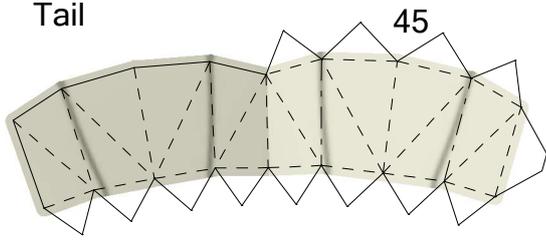

Feathers

Fold Green colored tabs outward and glue to each other - these will allow for the feathers to glue on top of the exposed tabs

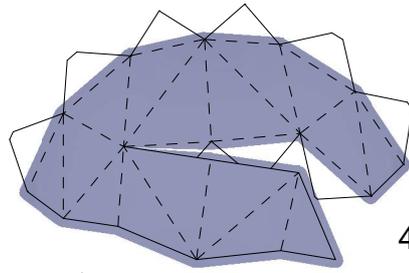

Picture included for gluing above feathers (before cutting out)
Cut/build Wings and attach Feathers in page
