30

Back of  
Head

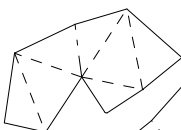

28

29

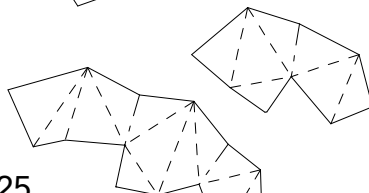

All tabs on this page  
are used for connecting  
the 2D hair pieces to  
the head.

Be sure to fold most/all  
of these pieces in order  
for it to give the "spikey" look

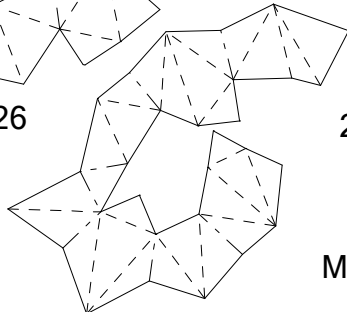

26

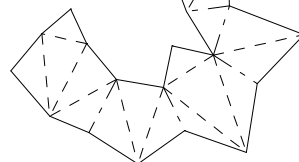

24-25

Mid

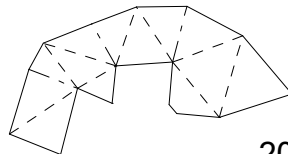

22-23

20-21

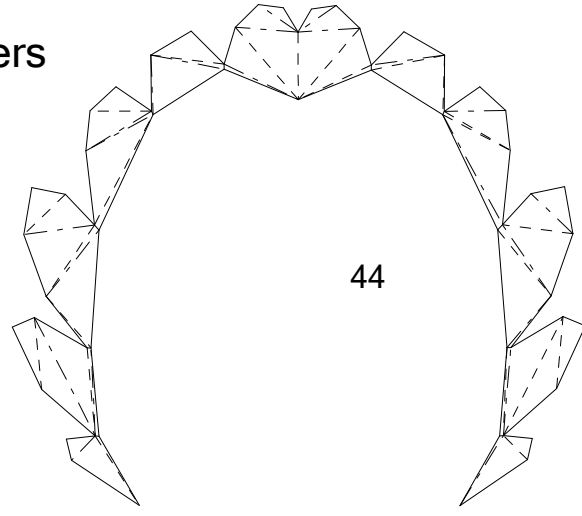

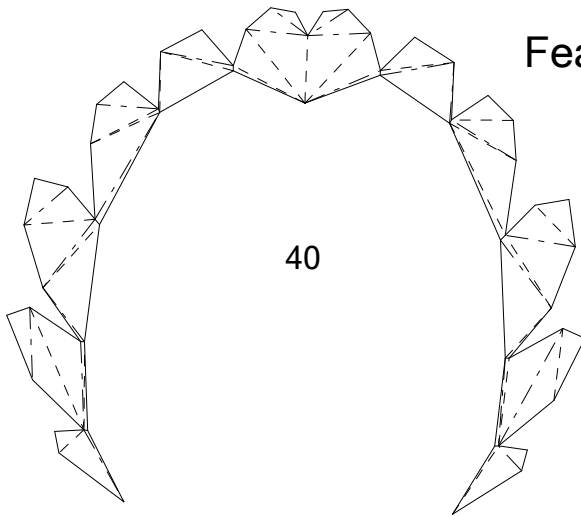

19

18

Front

## Feathers

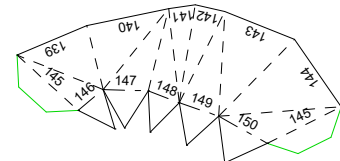

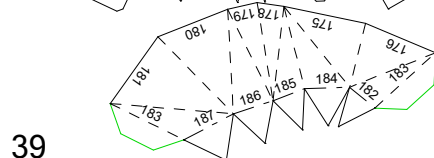

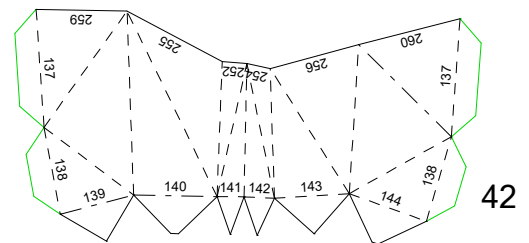

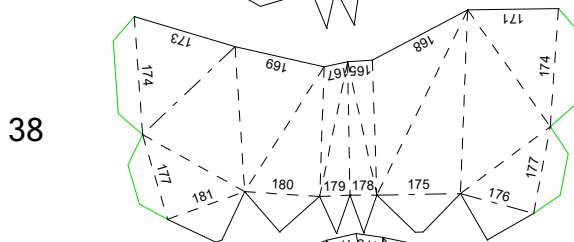

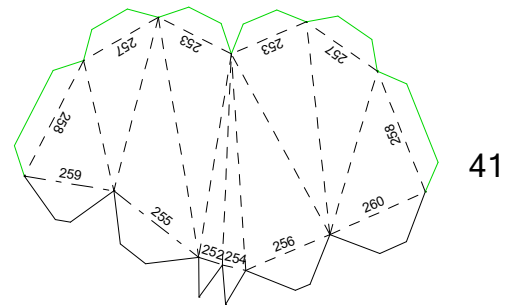

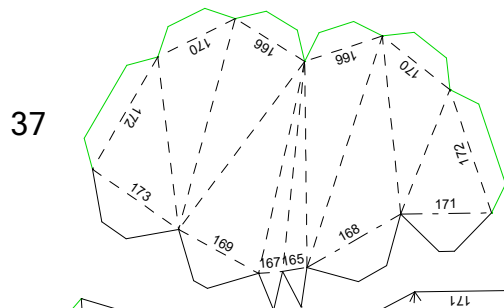

Fold Green colored tabs outward and glue to each other - these will allow for the feathers to glue on top of the exposed tabs

Picture included for gluing

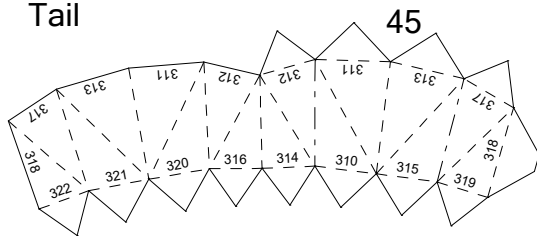

above feathers (before cutting out)

Cut/build Wings and attach Feathers in page
