All tabs on this page
are used for connecting
the 2D hair pieces to
the head.

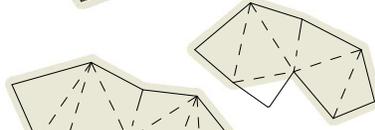

Be sure to fold most/all
of these pieces in order
for it to give the "spikey"
look

Mid

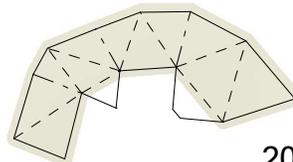

22-23

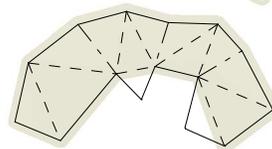

20-21

Front

18

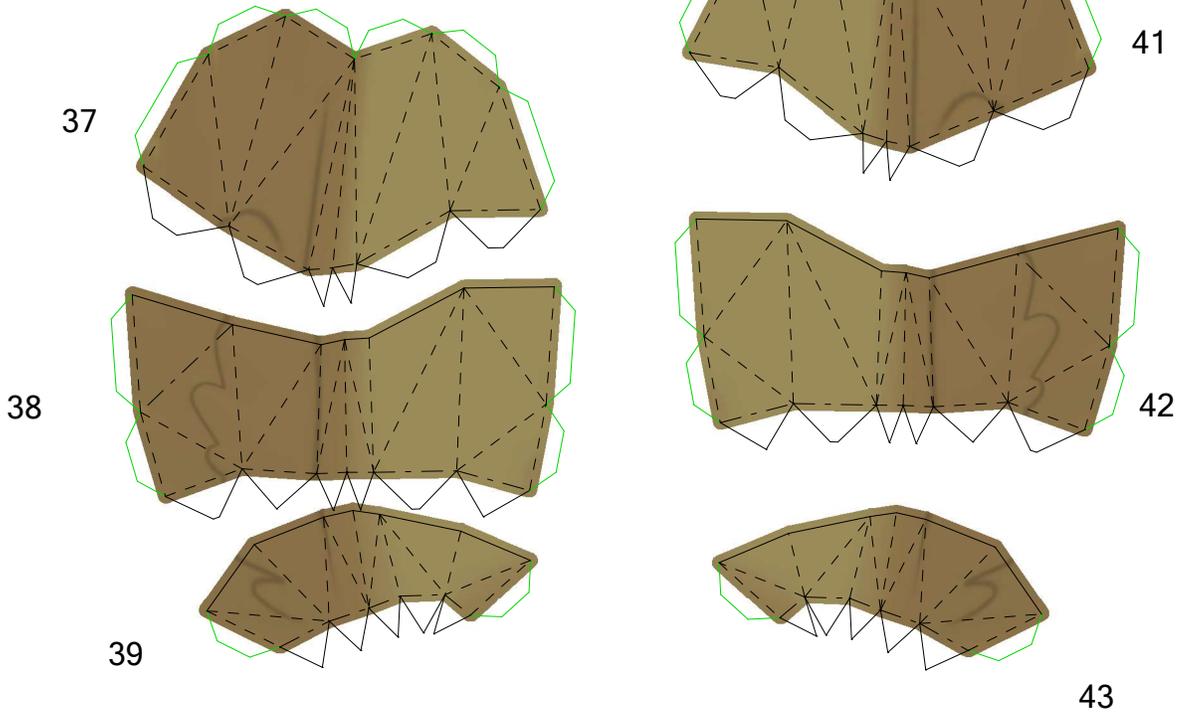

19

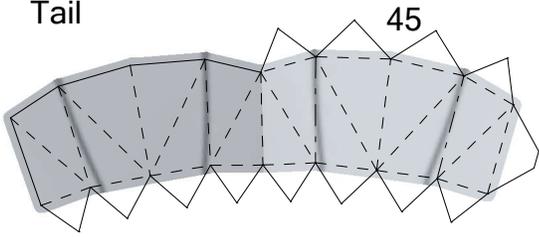

Fold Green colored tabs outward and glue to each other - these will allow for the feathers to glue on top of the exposed tabs

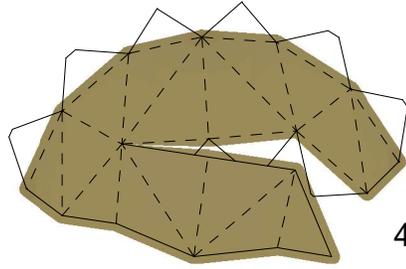

Picture included for gluing above feathers (before cutting out)
