**LEG  
BAND**

**GEM**

Close the model at  
'end here', it's going to be a bit  
tricky but it's okay if you mess up.  
The gem and it's setting will cover it up.

**BACK**

start here

Glue the whole gem piece onto the middle and add thin dabs of glue where the piece should lay flat on the star. Don't forget the leg band.
